

XICRMA

DESIGN FEATURES

Produces a clean durable inside corner for siding panels. Tamlyn's XtremeTrim Multi Angle Inside Corner provides angles from 95° to 165° degrees that change the industry standard detail for non 90 degree outside corners. Designers, architects, and contractors can now comfortably design and build multi angle corners to maximize lot size for interurban construction and keep a clean trim line along corners.

MATERIAL

6063-T5 .045" ± .005 extruded aluminum alloy with proprietary coating that protects against harsh weather conditions and allows for paint adhesion.

For all other finish options refer to page 20 in TAMLYN's Complete Product Catalog.

All measurements are nominal

ITEM ID	A	B
XICRMA516	3/8"	3/8"
