

XOCLP-135

DESIGN FEATURES

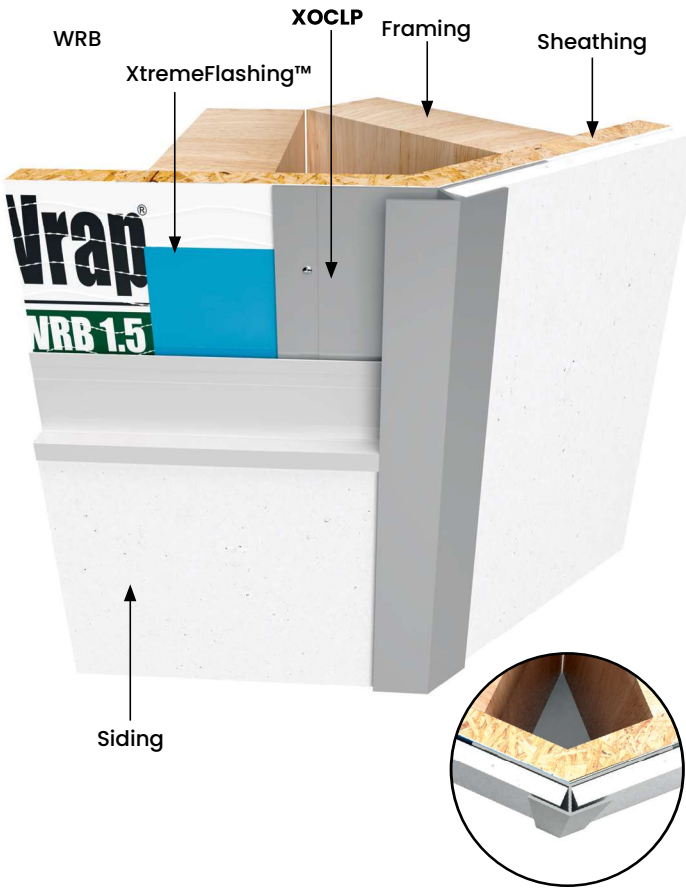

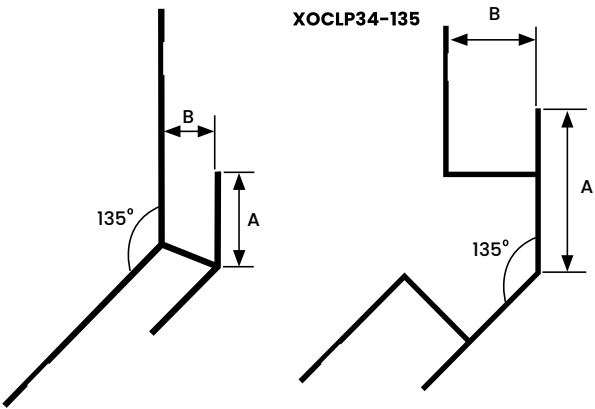

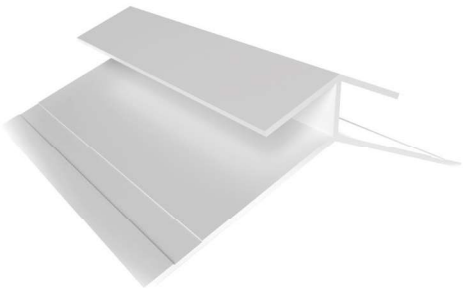

Corresponds visually to standard XOCLP profiles but designed for 135° applications. Works well with all vertical options.

MATERIAL

6063-T5 .050" ± .005 extruded aluminum alloy with proprietary coating that protects against harsh weather conditions and allows for paint adhesion. For all other finish options refer to page 20.

NOTE

Do not install XtremeTrim® 135° Low Profile Outside Corner on horizontal applications where the exterior flange can catch/hold water.

All measurements are nominal

ITEM ID	A	B
XOCLP516-135	3/4"	3/8"
XOCLP34-135	1-1/2"	3/4"

All parts are 10' Length unless otherwise indicated
