INSIDE CORNER RADIUSUED

**Design Features**

Coordinating inside corner for the CRA profile (page 39). Can be used vertically and horizontally in conjunction with drywall, panels, and wrapped surface finishes. Ridged faces allow for tape & float.

**Material**

Available in 10' length. 6063 T5 aluminum with standard clear anodized or primed finish. Anodized color and powder coating finishes available with custom color matching.

---

**Green Building and LEED**

Tamlyn products can earn or contribute to credits in categories MR 4.1 and MR 4.2. These credits require a minimum percentage of the value of the building materials to be recycled. Also EQ, Low Emitting Materials Credit and EA, Optimized Energy Performance Credit. Tamlyn products are typically made from 75-100% post industrial and post consumer scrap.

For more details and LEED letters contact Technical Support at 844-334-1676.
