T MOLD

DESIGN FEATURES

T Mold serves as a minimalist joint between panels. Works with all 5/16" panel profiles/finishes.

MATERIAL

Available in 10’ length. 6063 T5 aluminum with standard clear anodized or primed finish. Anodized color and powder coating finishes available with custom color matching.

Green Building and LEED

Tamlyn products can earn or contribute to credits in categories MR 4.1 and MR 4.2. These credits require a minimum percentage of the value of the building materials to be recycled. Also EQ, Low Emitting Materials Credit and EA, Optimized Energy Performance Credit. Tamlyn products are typically made from 75-100% post industrial and post consumer scrap.

For more details and LEED letters contact Technical Support at 844-334-1676.
